RE: Mueller Co. Service Brass Compliance

Mueller service brass is manufactured and tested in our Decatur Illinois facility in accordance with the latest revision of AWWA C800.

Components that come in contact with potable water also comply with the latest requirements of the Reduction of Lead in Drinking Water Act, effective January 4, 2014. These components are “Lead Free” meeting the requirements of Annex G – NSF / ANSI 372.

Sincerely,

A handwritten signature in black ink that reads "Larry Aulich". The signature is written in a cursive style.
